## REGISTRATION FORM

Fill this form to register your local cleanup activities as part of the Clean Up East Asian Seas Campaign 2008. You can also register online at [www.cobsea.org/cleanupeas](http://www.cobsea.org/cleanupeas).

The Clean Up East Asian Seas Campaign 2008 is organized by the UNEP COBSEA Secretariat and is part of the global and regional initiatives International Year of the Reef, Clean Up the World, Ocean Conservancy's International Coastal Cleanup and Green Fins. We encourage governments, private sector, schools and other organizations among COBSEA member countries to join the campaign by organizing individual local cleanup activities in their countries during 2008. To be part of the Clean Up East Asian Seas Campaign 2008, the cleanup activities should be undertaken between World Environment Day on 5<sup>th</sup> of June and the Clean Up the World Weekend / International Coastal Cleanup Day on the 3<sup>rd</sup> weekend in September.

Participating organizations are requested to report their results to the UNEP COBSEA Secretariat using the data collection and summary cards developed by Ocean Conservancy's International Coastal Cleanup (ICC). These can be downloaded from [www.cobsea.org/cleanupeas](http://www.cobsea.org/cleanupeas). After the completion of your activity, please send your ICC summary cards to the UNEP COBSEA Secretariat.
